## Attachment 1.2

Explanation of significant variances in the accounting statements –  
AGAR Section 2Parish Council name: DUNSTON WITH COPPENHALL

Please explain any variances of more than 15% or anything over £100k between the totals for individual boxes in Section 2. We do not require explanations for variances of less than £200; however, in some cases there may be 'compensating' variances which leave the overall total for a box relatively unchanged – e.g. where there was a major one-off project in one year (e.g. contribution to village hall extension of £30,000), but a totally different expense of a similar size in the next (e.g. purchase of playground equipment of £28,000). In such cases, it would be helpful to provide an explanation of movements within each box. We also ask you to explain any change where there is a movement to or from zero. Please either use the proforma below or complete a separate schedule if more space is required.

Section 2	2020/21 £	2021/22 £	Variance (+/-) £	Detailed explanation of variance (for each reason noted please include monetary values (to nearest £10))
